

Remarks

Claims 1, 16, 25, 26 and 28 are amended.

Claims 2-15, 18-24 and 27 are original.

Claim 17 is cancelled.

The application now contains claims 1-16 and 18-28.

Claims 1 and 25 are amended for clarity by replacing a semicolon on the second and fourth line after the structure for formula I with a comma and moving the word "and" from just prior to the structures for formula II-a-1 through II-b-3 to just after the structures.

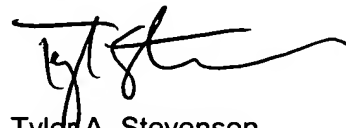

Claims 16 and 28 are amended for clarity by changing the transitional phase "which comprises" to "which method comprises".

Claim 26 is amended for clarity by changing the transitional phase "which corresponds to" to "which is".

No new matter is added.

Consideration of the present claims on their merits is respectfully awaited.

Respectfully submitted,
